

The **Fast Track** to Bitcoin Cash Flow:

How to earn BTC 3.24 in 21 days  
following this step by step system!

Hi, my name is Frank Bauer,  
co-founder of Infinity Traffic Boost  
and I want to help YOU  
build up your Bitcoin Cash Flow  
starting right now!!

We have created an easy to follow system to help you get rolling to build your Bitcoin Portfolio with just BTC 0.0005 Out of Pocket and just 3 minutes of your time each day!

And if you prefer a slower “Nothing Out of Pocket” system, I recommend to check out our Free Way video!

Let me ask you a question...

If I could show you a way to spend 3 minutes a day online,  
follow a few simple instructions  
and, within 21 days, you would earn 3.24 Bitcoin...

Would you be interested in learning more?

When you see the math and the logic  
of 3 minutes a day and a logical game plan...  
Do you know 4 or more people who would:

- 1) Begin with a purchase of BTC 0.0005  
and 3 minutes a day,
- 2) Follow instructions and
- 3) Duplicate?

If your answers are YES, then,  
wow, we can help you!

Here is all you have to do:

1) Purchase TPO 1 and surf 10 pages a day,  
here at Infinity Traffic Boost

2) Refer 4 or more friends to do the same (the faster you get your friends surfing and earning the faster you'll be able to advance and earn over 3 full Bitcoin or more)

We recommend to refer 1 member a day for 4 days.

3) Use your Surfers Rewards Pool Shares earnings and commissions to purchase the Traffic Package Options 2 - 11 as soon as you earned the funds.

# STOP!

Don't Panic! LOL

Yes, we are talking about making a few referrals,  
but, wow, we are talking about only  
0.0005 Bitcoin to get started.

You can CHANGE YOUR LIFE with this very small purchase  
and you can help others do the same.

You aren't selling, you are helping!  
Let's make it happen together!

Hint: To make it easier for yourself,  
we recommend to select the  
"Getting Paid Option:  
Use earnings to purchase TPO's your way up"  
in the "Affiliates / Earnings" section.

Check out the Full Explanation,  
then start surfing and  
tell your friends ASAP!

Think about it,  
spend 3 minutes a day surfing and,  
with duplication as noted above,  
you can earn 3.24 Bitcoin in 21 days!

Wow!

Here's how it can work for you if you simply...

a) Purchase TPO 1,

b) Surf 10 pages a day and

c) Refer one new member that follows the same system each day for 4 days

Please keep in mind that when our Bitcoin pricing changes, the Bitcoin values mentioned in this video will change, but the system and the time required will remain the same.

The earnings will quite probably continue after 21 days on the Fast Track system because of the Reverse 1Up Compensation Plan... but of course... you can always refer more people to increase your earnings and the traffic you receive even more.

What if you refer 8 instead of 4?

Or 12???

Or 16???

You can stop referring more members  
when you believe it's enough  
or you stop after 4 that follow the same  
system as shown in this example.

And you refer them at your own speed...

1 member a day for 4 days is simply  
the way we recommend to do it.

We know... this is a LOT of information!

But we want you to know that the MATH is solid  
and if YOU do the work (purchase TPO 1, surf  
and refer 4 or more friends that do the same)  
then this SYSTEM works!

So, here are again your tasks,  
they are very simple...

- 1) Click on the green "Buy Advertising Credits" button to purchase TPO 1, and;
- 2) Click on the green "Surf Pages" button to start surfing your 10 pages, and;
- 3) Click on "Affiliates / Referral Tools", then on "Email Copy", select an email ad copy to send to your 10 Best Friends who would like to earn 3.24 Bitcoin in 21 days working just 3 minutes a day!
- 4) Keep surfing daily and keep referring more members until you have 4 or more that follow this simple system

**And that's all there is to it!**

Together we can change the world, help millions of people to earn online while providing an incredible advertising value proposition.

Come join us, share our vision and get started today.

The Math Works, ..... Do You?
