

The Free Way to Bitcoin Cash Flow:

How to earn BTC 3.24 in 51 days following this step by step system!

Hi, my name is Frank Bauer,
co-founder of Infinity Traffic Boost
and I want to help YOU
build up your Bitcoin Cash Flow
starting right now!!

We have created an easy to follow system to help you get rolling to build your Bitcoin Portfolio with Zero Out of Pocket and just 30 minutes of your time each day!

And if you prefer a 3 minutes a day system, I recommend to check out our Fast Track video!)

Let me ask you a question...

If I could show you a way to spend 30 minutes a day online,
follow a few simple instructions
and, within 51 days, you would earn 3.24 Bitcoin...

Would you be interested in learning more?

When you see the math and the logic
of 30 minutes a day and a logical game plan...
Do you know 4 or more people who would:

- 1) Invest 30 minutes a day,
- 2) Follow instructions and
- 3) Duplicate?

If your answers are YES, then,
wow, we can help you!

Here is all you have to do:

- 1) Surf 100 pages a day, here at Infinity Traffic Boost
- 2) Refer 4 or more friends to do the same (the faster you get your friends surfing and earning the faster you'll be able to advance and earn over 3 full Bitcoin or more)

We recommend to refer 1 member a day for 4 days.

- 3) Use your Surfers Rewards Pool Shares earnings to purchase the Traffic Package Option 1 (TPO 1) as soon as you earned the funds (in 30 days, when you surf 100 pages a day).

To make it easier for yourself,
we recommend to select the
"Getting Paid Option:

Use earnings to purchase TPO's your way up"
in the "Affiliates / Earnings" section.

Check out the Full Explanation,
then start surfing and
tell your friends ASAP!

Think about it,
spend 30 minutes a day surfing and,
with duplication as noted above,
you can earn 3.24 Bitcoin in 51 days!

Wow!

Here's how it can work for you if you simply...

a) Surf 100 pages a day and

b) Refer one new member that follows the same system each day for 4 days

Please keep in mind that when our Bitcoin pricing changes, the Bitcoin values mentioned in this video will change, but the system and the time required will remain the same.

Congratulations... You did it and earned yourself BTC 3.24004 with zero out of pocket expense!

The earnings will not even stop to increase after 21 days on the Fast Track system... but of course... you can always refer more people to increase your earnings and the traffic you receive even more.

What if you refer 8 instead of 4?

Or 12???

Or 16???

You can stop referring more members
when you believe it's enough
or you stop after 4 that follow the same
system as shown in this example.

And you refer them at your own speed...

1 member a day for 4 days is simply the
way we recommend to do it.

WOW! We know... this is a LOT of information!

Our kids would call it "Overshare" but we want you to know that the MATH is solid and if YOU do the work (surf and refer 4 or more friends) then this SYSTEM works!

So, here are again your tasks,
they are very simple...

- 1) Click on the green "Surf Pages" button on our dashboard and start surfing your 100 pages (to earn 10 surfers rewards pool shares), and;
- 2) Click on Affiliates, then Referral Tools, then Email marketing to select an email ad copy to send to your 10 Best Friends who would like to earn 3.24 Bitcoin in 51 days working just 30 minutes a day!
- 3) Keep surfing daily and keep referring more members until you have 4 or more that follow this simple system
